

Bellarmino Chapel

Bellarmino Chapel is a Catholic faith community that strives to live out the teaching and example of Jesus Christ in the spiritual tradition of St. Ignatius of Loyola. We seek to be a parish where lives are transformed by the new and creative ways of the Holy Spirit. Nourished at the table of the Eucharist, we are sent on mission to make disciples, serve those in need, work for justice, and welcome all with love.

Parish Council Nominations

As we begin this Lenten season, we are reminded that our faith is lived out not only in prayer but also in service to our parish community. One way to engage with others and forward the mission of Bellarmine Chapel is through leadership in our Parish Advisory Council.

The nomination period is now open! Parishioners are invited to nominate themselves or others to serve on the Parish Advisory Council. Nominations will be accepted through **April 16, 2025**.

Upcoming Leadership Discernment Events:

- March 23: Ministry witness at all Masses, featuring reflections from current council members.
- March 29: *Parish Councils: Synodality in Practice* – A special workshop by Fr. Tom DiFolco at the Xavier University Health United Building from 9-11 AM. All are welcome. [Please RSVP](#).
- May 1: All nominees will be informed of their nomination and invited into the discernment process.
- June 8 (Pentecost Sunday): New council members will be selected by the pastor.

We encourage all parishioners to prayerfully consider how they might serve. This is a unique opportunity to share your gifts and help shape the future of our parish. [Click here to submit a nomination.](#)

Light of Hope: Advocating for the Vulnerable

Since the earliest days of the Church, we as Christians have sought to be a light of hope in the darkness, listening with love and acting as channels for God's healing presence wherever we can. Over the course of Lent, we will highlight some of these hope-filled activities of the parish and parishioners, inviting you to live into our vision statement as *bearers of hope and healing*. This week, we want to celebrate the 450 plus postcards (double our usual amount!) that our Ignatian Advocacy Team collected for our federal officials, calling on them to center the dignity of the most vulnerable through the funding of anti-poverty efforts like the Earned Income Tax Credit and the Child Tax Credit.

If you missed it, you can [sign an e-alert here](#). Our Ignatian Advocacy Team will be meeting with the offices of our elected officials later this month. If you would like to join, contact [Tim Severyn](#). As we "spotlight" these actions throughout Lent, may each of us be inspired to personally amplify and multiply the ways we are being the hope we want to see in the world!

DID YOU KNOW?

The Apostles' Creed says Jesus descended into Hell...What's that all about?

The Apostles' Creed is a later Latin adaptation of the Nicene Creed. The phrase "descended into hell" comes from a Latin word for the underworld, not the fiery Hell of damnation. It means Jesus went to the realm of the dead, where souls awaited His victory on the Cross.

Pathfinders to 30: Jim Ollier

Jim Ollier began working with Shalom in 2008, following his retirement. He started on the Saturday crew but was then also invited to join the Tuesday crew. Starting in 2011, Jim became part of Shalom's construction leadership team, along with Tom Wittekind and Ed Koenig. He was the site leader on days when neither Tom nor Ed were present. For approximately ten years, Jim also worked with Cincinnati Habitat's electrical team, which performed electrical installations on all the organization's new houses. Jim retired from active involvement with the Habitat construction crews in 2020. Jim was pleased to contribute to the overall mission of Shalom and Cincinnati Habitat—providing safe, decent homes for all. For him, the most satisfying part was working with the others on the crew and especially working alongside the homeowners-to-be. He recalls beginning each workday with a prayer. To him, working on the crew amounted to being a part of the body of Christ. Next week, we'll be collecting again for Habitat for Humanity at all our masses! For monetary donations, [please use this link to the Bellarmine website.](#) If you are interested in signing up to volunteer, or if you are interested in serving on our Shalom Steering Committee, [please use this handy form.](#)

As always, we appreciate your generosity and your continued support of this ministry. If you have questions, please call Dan Aerni at (513)-607-0337.

Praise Be to You: An Anthology of Hope and Healing for Creation

The Jesuit Parish Family Healthy Earth Team is creating a collection of parishioners' original writings and artworks inspired by love of the natural world. We are calling it *Praise Be to You: An Anthology of Hope and Healing for Creation*.

Inspired by the Vision Statement of our Jesuit Parish Family, we want this anthology to encourage and uplift all who long to bear hope and healing for the broken connection between us humans and the rest of God's creation.

To create this anthology, we invite parishioners to submit original poems, brief writings, prayers, and artworks, including photographs, drawings, paintings, and images of works such as sculpture or craft. We can also accept brief videos which could be the spoken word: poem, brief writing or prayer, as well as a piece of music. We welcome submissions from people of all ages, including from families (one submission representing the family). We will have a print edition with selected submissions and a longer digital version. The anthology will be released in September to celebrate the annual, ecumenical Season of Creation. Deadline for all submissions is **June 1**.

For instructions and submissions, [please use this form](#). Please send any questions to Tim Severyn at severyn@bellarminechapel.org
