

Parish Advisory Council & Finance Committee Application - Nominate Others

Bellarmino Chapel Finance Committee Purpose:

- The Finance Committee assists the pastor in the administration of parish temporal affairs. The Committee has three main areas of responsibility:
 - Financial Administration
 - Stewardship and Development
 - Facility Management
- The Committee does not have decision making authority per se, but consultation with the pastor is at the heart of the decision-making process.
- The Committee ensures that the funds are available to achieve the mission and objectives of the parish. Six to nine members may meet as often as monthly but always at least quarterly. Members are appointed for three-year terms with a potential additional Three-year term. From time to time, a need may arise to form a working group to focus attention on some aspect of parish life. For the most part, however, the Finance Committee operates as a unit.

Bellarmino Chapel Parish Advisory Council Purpose:

- The Parish Advisory Council pays attention to the spirit and quality of life within our parish as a whole. The council brings together 10-12 members from the parish who engage in a regular discernment process that keeps our community faithful to the message of Jesus. The council considers current needs, pastoral priorities, long-range plans, and other strategic issues that affect the parish. Meetings are monthly, and members are typically appointed for three-year terms. From time to time, a need may arise to form a working group to focus attention on some particular aspect of parish life. For the most part, however, the Parish Advisory Council operates as a whole and on the basis of prayerful reflection. In this way, the council contributes to the overall quality of our parish community.
