Dear Bellarmine Disciple,

If you have this booklet in your hands, then you may be a new parishioner among us seeking information about a particular ministry. Or, perhaps you have been a member of our parish for some time but have a new curiosity about what ministry might draw you to become more engaged.

Whatever your motivation, we want to encourage you to use this resource to help guide your discernment about a new ministry you may be called to pursue. You will see a variety of ministries which contribute to the life of our vibrant parish community and also take us outward to bring hope and healing to our neighbors.

Consider your gifts and your skills, your passion and your time. Carefully read our *Parish Family Vision Statement* and our *Bellarmino Chapel Mission Statement* on the next page. See what word or phrase resonates with you. With your open heart, the Holy Spirit will lead you.

As you consider a new opportunity to serve, we offer these questions or “discipleship prompts” to contribute to your prayerful process:

How is God calling me to live my unique purpose as a disciple of Christ?

Are my works of mercy and love and justice deepening my encounters with Christ and my neighbor and showing me the path to discipleship?

What will I choose from the opportunities for prayer and mission our community is providing?

The descriptions and contact information are provided. Go ahead and connect directly with our many servant leaders who are listed. They will welcome your interest and your questions.

In whatever ways you are able to contribute, the Body of Christ will be more visible, more enlightened, and more loving because of you!

With gratitude for you, in Christ,

Rev. Paul Lickteig, S.J.
Pastor, Jesuit Parish Family

Rev. Damian Torres-Botello, S.J.

At Bellarmine Chapel, our music ministry strives to lift up each liturgy in song, and to engage our congregation while supporting them in their participation. Our musicians support regular weekly Masses in addition to many special services and feast days, including Taizé prayer services. The Mass takes place at 4 p.m. on December 24, and there are a few weeks of rehearsal leading up to the Mass. Young vocalists and instrumentalists are welcome to join the ensemble that will present and lead the music for this Mass. Instrumentalists should have at least two years of lessons, but choir members do not need prior voice training. There will be opportunities for solos, and advanced vocalists are encouraged to audition for the role of cantor. We typically have prelude music prior to the start of the Mass, which offers our children even more opportunities to enjoy presenting music together!

LEADERSHIP COMMITTEES

bellarminechapel.org/about/leadership-committees

Parish Advisory Council

The Parish Advisory Council pays attention to the spirit and quality of life within our parish as a whole. The council brings together 8-10 members from the parish who engage in a regular discernment process that keeps our community faithful to the message of Jesus. The council considers current needs, pastoral priorities, long-range plans, and other strategic issues that affect the parish. Meetings are monthly, with members appointed for three-year terms. From time to time, a need may arise to form a working group to focus attention on some particular aspect of parish life. For the most part, however, the Parish Advisory Council operates as a whole and is based on prayerful reflection. In this way, the council contributes to the overall quality of our parish community.

Finance Committee

The Finance Committee works to make sure that the parish has the financial means to support our mission and ministry fully and that our spending is in line with our budget. At meetings, which typically occur eight times per year, committee members review the budget, discuss stewardship issues, oversee financial controls, and consider staff needs.

Worship Core Team

Team members work to uphold the Worship Core Mission: to serve in an advisory role for the pastor and staff; examining, exploring, assessing forms of worship, and prayerfully discerning which may be of most significant help to Bellarmine parishioners on their faith journey. Members may also assist in providing opportunities for Bellarmine parishioners to participate in such forms of communal (and to a lesser degree, private) worship.

Social Mission Core Team

The Social Mission Core Team is a parish leadership team representing the breadth of our parish's sustainability and social mission activity, both Issue-based Action Teams and Service and Solidarity Teams. Representatives are elected to two-year terms beginning in August. Core Team members serve as community organizers for the parish focused on sustaining and growing our social mission and forming active disciples.

Evangelization and Discipleship Core Team

The Evangelization and Discipleship Core Team is composed of persons from various Faith Formation and Disciple-making Ministry groups. Members meet monthly to evaluate, pray, discern and advise parish staff toward providing programs, resources, etc., for increased engagement.

Marriage Ministries Core Team

The Marriage Ministries Core Team is a parish leadership team representing our parish's dedication, support and nurturing to both engaged couples preparing for the sacrament and married couples throughout their sacramental journey. The Team plans a quality bi-annual retreat for engaged couples, provides FOCCUS teams for marriage preparation (Facilitating Open Couple Communication, Understanding & Study), and plans Ignatian-inspired events and series to support couples during each stage of the marital journey.

Young Adult Core Team

The Young Adult Core Team is a group of young adults who help to plan and organize the activities that Bellarmine Chapel hosts for young adults throughout the Archdiocese of Cincinnati. We meet on the first Thursday of every month.
