

## **Parking Alert: XU Graduation Season 2025**

As is customary on university campuses, May is a time of graduations. Xavier University will host a series of graduations for Cincinnati-area colleges, universities, and high schools from May 8 to 29, 2025. During this time, parking on campus will be limited and heavily monitored, especially:

- 2 hours before each graduation
- During each graduation
- Approximately 2 hours after each graduation

This will affect Mass parking availability, much like during XU men's basketball games. We strongly encourage all parishioners and visitors to plan ahead for potential delays when arriving for Mass. We recognize that these parking challenges are far from ideal and may affect each of us in different ways; yet, as a parish rooted on a university campus, we embrace the call to be good neighbors and faithful disciples—even when it is not convenient—trusting that our shared patience and flexibility are also forms of grace.

## **Parking Information**

**General Parking:** Please use University Drive for parking during this time.

**Accessible Drop-off:** Drivers may drop off those needing handicap access at the circle drive behind the Gallagher Student Center. From there, take the elevator to the first floor and use the sidewalk to reach the front of Bellarmine Chapel.

## **Mass Alternatives**

Should the parking situation present a challenge for you or your household, know that you are warmly invited to join us in spirit by participating in the liturgy from your extended sanctuary at home. You may also find a peaceful alternative by attending Mass at St. Xavier Church downtown; their schedule is available at [www.stxchurch.org](http://www.stxchurch.org).
